Memo, re. dress policy, DFE tech: Professional Appearance

Student clothing needs to conform to the below items:

Shirts with a collar (polo type or buttoned) are required.

Shirts with rear/front commercial advertisement and/or with written-'statements' such as many T-shirts have are not desirable nor allowed.

Jeans or casual slacks / pants, *correctly worn*, tucked in with a belt.

No shorts, no saggy / baggy pants, no shorts.

Shoes must covered toes, no flip flops or sandals.

Head coverings:

Ball caps are okay if worn correctly: No backwards / sideways / crooked hats, no mesh / no nylon / no plastic headwear.

Earrings and superfluous jewelry on men are not oilfield dress code. DFE tech does not advise or allow earrings / necklaces / piercings for men.

Gals may wear earrings and such if they must.

I have read, I understand, and I will comply with DFE tech's dress code
